SYNOPSIS

The Ai Program, which is the most important factor in the existence of the Asobots, was a revolutionary breakthrough developed by Sanzo's father, a brilliant engineer. But another man, with evil intent, has wrongfully incorporated a computer virus into the program...

In order to eliminate this virus, which otherwise will give rise to a "Mad Death Disease" among the Asobots, Sanzo who has just awoken from a 1,000 year frozen sleep embarks on a long journey, taking with him a magical harmonica given into him by his father, which is capable of musically gathering commands to amend the corrupted Ai Program.

GOKU is the first generation Asobot who is hero in this series. The series is about the action-packed adventures of GOKU and his gang stirring up trouble, having fun, gathering valuables, fighting bandits, and ultimately working with humans and other Asobots to save the world. Series will stimulate the spirit, mind, and imaginations of children, young and old.
