

ONIMUSHA

DAWN OF DREAMS

~the story~
approx 120 min.

The warlord *Nobunaga Oda* attempted to bring the land under his control, but perished amidst the flames at *Hon-noji* Temple thanks to the efforts of the *Onimusha Samanosuke* and *Jubei*. After *Nobunaga's* fall, his successor, *Hideyoshi Toyotomi*, became the new ruler of Japan and all seemed peaceful. However, on June 29th, 1596, an eerie crimson star appeared in the skies over Japan. On that day, *Hideyoshi* underwent an evil transformation and the country was rocked by natural catastrophes. *Hideyoshi's* dark influence began to spread to foreign lands. He began a string of vicious acts including the capture of the Spanish vessel *San Felipe* and the execution of its crew along with the banishment of all foreigners and the persecution of religion. At this time, the *Genma* mysteriously reappeared in the land, once again striking fear into the hearts of mankind. *Hideyoshi* began massing them for what he hoped would be the conquest of the world under the domination of a vast demonic army. Now it is 1598 and the latest chapter in the epic struggle between good and evil has begun...
